

Covid-19 & “Vax” Info Links

Use Bitchute, Rumble or Brighteon search engines. Youtube and Google have censored proven reliable and scientific information from reputable doctors, scientists, researchers and the vaccine injured.

If you are wondering why our government would allow this Covid “vaccine” bio weapon to continue to cause harm to the public, please watch:

“The Fall of the Cabal” by Janet Ossebaard & Cynthia Koeter starting at episode 1.

This will give you the background about how we got to where we are now and who the “government” really is and their agenda for humanity. Then you will better understand the listed sites and videos. Do not use Youtube, use Rumble.com or Bitchute.com. Episode 19 is specifically about the Covid shots. Another great documentary is “Died Suddenly” <https://www.bitchute.com/video/j7cAFO5wdEe6/>

Some of you reading this will still believe in the Covid shots, while others may feel confused, deceived, angry, anxious, depressed and “stuck”.

We were all lied to, deceived, coerced, forced, shamed, made to feel guilty, were deprived of loved ones, lost jobs, homes and cast out of our family and friend's circles. All in the name of a virus that doesn't exist so that the “elite” few could gain world dominance.

But the world isn't tolerating it any more. People are waking up and are refusing to allow our governments to control our lives and our bodies any longer.

The governments are few, and we are many. Together, we are an undefeatable army standing together helping one another and are not falling for their control games.

There are many sites and people that can help guide you to wellness. Eating well, supplements, faith and prayer, meditation, grounding, sun gazing, companionship, forgiveness, rest, exercise, education, and..... Attitude is Altitude.

Remember: NO Covid virus has EVER been isolated. They cannot determine different Covid strains because they have not and cannot isolate them. Court cases have been won because no strain of Covid-19, Omicron, Delta etc exists. Viruses in fact, do not exist. Symptoms of colds and flu is our bodily detoxification process and not a virus. It is medically impossible to “catch” a cold or flu from someone else, but shedding from the spike protein is occurring and is a real danger to the unjabbed.
